Statement of Intent

The Priestley Academy Trust is committed to safeguarding and promoting the physical, mental and emotional welfare of every pupil both inside and outside of our schools' premises. We implement a Trust-wide preventative approach to managing safeguarding concerns, ensuring that the wellbeing of pupils is at the forefront of all action taken and that health relationships are promoted. The Trust is also committed to a zero-tolerance policy with regards to sexual harassment and violence.

This policy has been created to outline a clear framework relating to any aspects of safeguarding within the Trust and should be followed by:

- All members of staff
- Any school within the Trust
- Any Local Governing Boards and Committees of the Trust Board
- Individual Trustees and the Board of Trustees
- Any associated members of the Board of Trustees and/or its committees
- The Trust as a whole, including Trust staff.

This policy sets out a clear and consistent framework for delivering this promise, in line with safeguarding legislation and statutory guidance. It will be achieved by:

- Ensuring that members of the Trust board, local governing boards, the headteachers and staff members understand their responsibilities under safeguarding legislation and statutory guidance, are alert to the signs of child abuse and know to refer concerns to an appropriately trained person, e.g. the Designated Safeguarding Lead (DSL) or Deputy DSL (DDSL) within their school.
- Ensuring pupils are taught on how to keep safe and to recognise behaviour that is unacceptable.
- Identifying and making provision for any pupil that has been subject to, or at risk of, abuse, neglect, or exploitation.
- Creating a culture of safer recruitment by adopting procedures that help deter, reject or identify people who might pose a risk to children.
- Ensuring that the headteacher, any new staff members and volunteers are only appointed when all the appropriate checks have been satisfactorily completed.

The school DSLs are:

School	DSL
Atlas Community Primary School	Lisa Simpson, Headteacher

Lilycroft Primary School	Leah Florence, Headteacher

In the absence of the DSL, child protection matters will be dealt with by a deputy DSL, a list of which can be obtained from the school office.

1. Definitions

- 1.1 The terms “**children**” and “**child**” refer to anyone under the age of 18.
- 1.2 For the purpose of this policy, The Priestley Academy Trust will define “**safeguarding and protecting the welfare of children**” as:
- Providing help and support to meet the needs of pupils as soon as problems emerge
 - Protecting pupils from maltreatment, whether that is within or outside the home, including online
 - Preventing the impairment of pupils’ mental and physical health or development
 - Ensuring that pupils grow up in circumstances consistent with the provision of safe and effective care
 - Taking action to enable all pupils to have the best outcomes
- 1.3 For the purposes of this policy, “**consent**” is defined as having the freedom and capacity to choose to engage in sexual activity. Consent may be given to one sort of sexual activity but not another and can be withdrawn at any time during sexual activity and each time activity occurs. A person only consents to a sexual activity if they agree by choice to that activity, and has the freedom and capacity to make that choice. Children under the age of 13 can never consent to any sexual activity. The age of consent is 16.
- 1.4 For the purpose of this policy, the term “**sexual violence**” refers to the following offences as defined under the Sexual Offences Act 2003:
- **Rape:** A person (A) commits an offence of rape if they intentionally penetrate the vagina, anus or mouth of another person (B) with their penis, B does not consent to the penetration, and A does not reasonably believe that B consents.
 - **Assault by penetration:** A person (A) commits an offence if they intentionally penetrate the vagina or anus of another person (B) with a part of their body or anything else, the penetration is sexual, B does not consent to the penetration, and A does not reasonably believe that B consents.
 - **Sexual assault:** A person (A) commits an offence of sexual assault if they intentionally touch another person (B), the touching is sexual, B does not consent to the touching, and A does not reasonably believe that B consents.
 - **Causing someone to engage in sexual activity without consent:** A person (A) commits an offence if they intentionally cause another person (B) to engage in an activity, the activity is sexual, B does not consent to engaging in the activity, and A does not reasonably believe that B consents. This could include forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.

- 1.5 For the purposes of this policy, **“sexual harassment”** refers to unwanted conduct of a sexual nature that occurs online or offline, inside or outside of school. Sexual harassment is likely to violate a pupil’s dignity, make them feel intimidated, degraded or humiliated, and create a hostile, offensive, or sexualised environment. If left unchallenged, sexual harassment can create an atmosphere that normalises inappropriate behaviour and may lead to sexual violence. Sexual harassment can include, but is not limited to:
- Sexual comments, such as sexual stories, lewd comments, sexual remarks about clothes and appearance, and sexualised name-calling.
 - Sexual “jokes” and taunting.
 - Physical behaviour, such as deliberately brushing against someone, interfering with someone’s clothes, and displaying images of a sexual nature.
 - Online sexual harassment, which may be standalone or part of a wider pattern of sexual harassment and/or sexual violence. This includes:
 - The consensual and non-consensual sharing of nude and semi-nude images and/or videos
 - Sharing unwanted explicit content
 - Upskirting
 - Sexualised online bullying
 - Unwanted sexual comments and messages, including on social media
 - Sexual exploitation, coercion, and threats.
- 1.6 For the purposes of this policy, **“upskirting”** refers to the act, as identified in the Voyeurism (Offences) Act 2019, of taking a picture or video under another person’s clothing, without their knowledge or consent, with the intention of viewing that person’s genitals or buttocks, with or without clothing, to obtain sexual gratification, or cause the victim humiliation, distress or harm. Upskirting is a criminal offence. Anyone, including both pupils and teachers, of any gender can be a victim of upskirting.
- 1.7 For the purposes of this policy, the **“consensual and non-consensual sharing of nude and semi-nude images and/or videos”**, colloquially known as **“sexting”**, and collectively called **“youth-produced sexual imagery”** is defined as the creation of sexually explicit content by a person under the age of 18 that is shared with another person under the age of 18. This definition does not cover persons under the age of 18 sharing adult pornography or exchanging message that do not contain sexual images.
- 1.8 **“Deep fakes”** and **“deep nudes”** refer to digitally manipulated and AI-generated nudes and semi-nudes.
- 1.9 For the purposes of this policy, **“indecent imagery”** is defined as an image which meets one or more of the following criteria:

- Nude or semi-nude sexual posing
 - A child touching themselves in a sexual way
 - Any sexual activity involving a child
 - Someone hurting a child sexually
 - Sexual activity that involves animals
- 1.10 Indecent images also include indecent **“pseudo-images”**, which are images that have been created or manipulated using computer software and/or AI.
- 1.11 For the purposes of this policy, **“abuse”** is defined as a form of maltreatment of a child which involves inflicting harm or failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing the ill treatment of others – this can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse. Children may be abused in a family, institutional or community setting by those known to them or by others, e.g. via the internet. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by one or multiple adults or other children.
- 1.12 For the purposes of this policy, **“physical abuse”** is defined as a form of abuse which may involve actions such as hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical abuse can also be caused when a parent fabricates the symptoms of, or deliberately induces, illness in a child.
- 1.13 For the purposes of this policy, **“emotional abuse”** is defined as the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child’s emotional development. This may involve conveying to a child that they are worthless, unloved, inadequate, or valued or insofar as they meet the needs of another person. It may include not giving the child the opportunities to express their views, deliberately silencing them, ‘making fun’ of what they say or how they communicate. It may feature age- or developmentally inappropriate expectations being imposed on children, such as interactions that are beyond their developmental capacity, overprotection and limitation of exploration and learning, or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, including cyberbullying, causing the child to frequently feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, but it may also occur alone.

- 1.14 For the purposes of this policy, **“sexual abuse”** is defined as abuse that involves forcing or enticing a child to take part in sexual activities, not necessarily involving violence and regardless of whether the child is aware of what is happening. This may involve physical contact, including assault by penetration, or non-penetrative acts, such as masturbation, kissing, rubbing, and touching outside of clothing. It may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can be perpetrated by people of any gender and age.
- 1.15 For the purposes of this policy, **“neglect”** is defined as the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in serious impairment of a child’s health or development. This may involve a parent or carer failing to provide a child with adequate food, clothing or shelter (including exclusion from home or abandonment); failing to protect a child from physical or emotional harm or danger; failing to ensure adequate supervision (including through the use of inappropriate caregivers); or failing to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child’s basic emotional needs.

- Ensure that, where the school ceases to use the services of any person because that person was considered unsuitable to work with children, a prompt and detailed report is made to the DBS within one month.

3.3 At each school within the Trust, DSLs have a duty to:

- Take **lead responsibility** for safeguarding and child protection, including online safety and understand the filtering and monitoring systems and processes in place.
- Report on an agreed basis to the Board of Trustees via the agreed route of communication.
- Refer cases:
 - To Children’s Social Care where abuse and neglect are suspected and support staff who make referrals Children’s Social Care.
 - To the Channel programme where radicalisation concerns arise and support staff who make referrals to the Channel programme.
 - To the DBS where a person is dismissed or has left due to harm, or risk of harm, to a child.
 - To the police where a crime may have been committed, in line with the National Police Chiefs’ Council (NPCC) guidance.
- Ensure each member of staff within their school has access to and understands Trust-wide Child Protection and Safeguarding Policy and procedures – this will be discussed during the staff induction process.
- Understand the importance of information sharing within the Trust, including within school, with the Trust’s other schools, and with the safeguarding partners, other agencies, organisations and practitioners.
- Adhere to any safeguarding arrangements specified in the Trust’s funding agreement.
- Keep detailed, accurate and secure written records of safeguarding concerns, decisions made and whether or not referrals have been made, and understand the purpose of record-keeping.

3.4 All teachers within the Trust, including the Headteachers, have a responsibility to:

- Safeguard pupils’ wellbeing and maintain public Trust in the teaching profession as part of their professional duties, as outlined in the ‘Teachers’ Standards’.
- Personally, report any cases to the police where it appears that an act of FGM has been carried out, also referred to as ‘known’ cases, as soon as possible.

- Adhere to the guidance that a pupil may not feel ready or know how to tell someone that they are being abused, exploited or neglected, and/or may not recognise their experiences as harmful.

3.5 All staff within the Trust and its schools have a responsibility to:

- Consider, at all times, what is in the best interests of the pupils in the Trust.
- Maintain an attitude of 'it could happen here' where safeguarding is concerned.
- Provide a safe environment in which pupils can learn.
- Be prepared to identify pupils who may benefit from early help.
- Be aware of the Trust's systems which support safeguarding, including any policies, procedures, information and training provided upon induction.
- Be aware of the role and identity of the DSL and deputy DSLs within the relevant school.
- Undertake safeguarding training, including online safety training (which amongst other things, includes an understanding of the expectations and responsibilities relating to filtering and monitoring), during their induction – this will be regularly updated.
- Receive and understand child protection and safeguarding (including online safety) updates, e.g. via email, as required, and at least annually.
- Be aware of the early help process, and understand their role in it.
- Be aware of, and understand, the process for making referrals to Children's Social Care, as well as for making statutory assessments under the Children Act 1989 and their role in these assessments.
- Make a referral to Children's Social Care and/or the police immediately, if at any point there is a risk of immediate serious harm to a child.
- Support social workers in making decisions about individual children, in collaboration with the DSL, within the relevant school.
- Be aware of and understand the Trust's procedure to follow in the event that a child confides they are being abused, exploited or neglected.
- Maintain appropriate levels of confidentiality when dealing with individual cases. Reassure victims that they are being taken seriously, that they will be supported, and that they will be kept safe.
- Speak to their school's DSL or DDSL if they are unsure about how to handle safeguarding matters.
- Be aware of safeguarding issues that can put pupils at risk of harm.
- Be aware of behaviours linked to issues such as drug-taking, alcohol misuse, deliberately missing education, and sharing indecent images, and other signs that pupils may be at risk of harm.

4. Multi-agency working

- 4.1 The Trust contributes to multi-agency working as part of its statutory duty. The Trust is aware of and will follow local safeguarding arrangements.
- 4.2 The schools within the Trust will be fully engaged, involved, and included in the child-centred approach towards local safeguarding arrangements. Once the Trust and its schools are named as a relevant agency by local safeguarding partners, it will follow its statutory duty to cooperate with the published arrangements in the same way as other relevant agencies. Schools within the Trust will act in accordance with the Trust's safeguarding arrangements.
- 4.3 The Trust will develop trusting relationships between families and agencies to protect the welfare of its pupils, through the early help process and by contributing to multi-agency plans to provide additional support.
- 4.4 Where a need for early help is identified, the schools within the Trust will allow access for CSCS from the host LA and, where appropriate, a placing LA, for that LA to conduct (or consider whether to conduct) a section 17 or 47 assessment.
- 4.5 The Trust will be mindful of the importance of inter-agency working in identifying and preventing child sexual exploitation (CSE).
- 4.6 The Trust will reflect the DfE's expectations to secure strong multi-agency working by:
 - Collaborating with services to achieve shared goals and share information
 - Learning from evidence and sharing perspective to evaluate provision
 - Prioritising and sharing resources depending on pupils' needs
 - Celebrating inclusivity and diversity and challenging discrimination
 - Mutually and constructively challenging other's assumptions in a respectful manner.

Information sharing

- 4.7 The Trust recognises the importance proactive information sharing between professionals and local agencies in order to effectively meet pupils' needs and identify any need for early help.
- 4.8 Considering the above, staff within the Trust will be aware that whilst the UK GDPR and the Data Protection Act 2018 place a duty on schools to process personal information fairly and lawfully, they also allow for information to be stored and shared for safeguarding purposes – data protection regulations do not act as a barrier to sharing information where failure to do so would result in the pupil being place at risk of harm.
- 4.9 Staff members within the Trust and its schools will ensure that fear of sharing information does not stand in the way of their responsibility to promote the welfare and safety of pupils. If staff members are in doubt about sharing information, they will speak to the DSL or deputy DSL.

5. Early Help

- 5.1 Early help means providing support as soon as a problem emerges, at any point in a child's life. Schools within the Trust will be proactive in ensuring that every pupil is able to access full-time education to aid their development and protect them from harm whilst utilising their unique position of having regular daily contact with pupils to identify concerns as early as possible.
- 5.2 Any pupil may benefit from early help, but in particular staff will be alert to the potential need for early help for pupils who:
- Are disabled, have certain health conditions, or have specific additional needs
 - Have SEND, regardless of whether they have a statutory EHC Plan
 - Are suffering from mental ill health
 - Are young carers
 - Show signs of being drawn into anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines
 - Are frequently missing or going missing from care or from home
 - Are at risk of modern slavery, trafficking, or sexual or criminal exploitation
 - Are at risk of being radicalised or exploited
 - Have family members in custody, or are affected by parental offending
 - Are in a family circumstance presenting challenges for them, such as drug or alcohol misuse, adult mental health problems, or domestic abuse
 - Are misusing drugs or alcohol
 - Are at risk of HBA, such as FGM or forced marriage
 - Are privately fostered
 - Having experienced multiple suspensions and are at risk of, or have been, permanently excluded, alternative provision or a PRU.
- 5.3 The Trust will not limit its support to pupils affected by the above and will be mindful of a variety of additional circumstances in which pupils may benefit from early help, for example, if they are:
- Bereaved
 - Viewing problematic or inappropriate online content or developing inappropriate relationships online
 - Have recently returned home to their family from care
 - Missing education, or are persistently absent from school, or not in receipt of full-time education.
- 5.4 Staff in each school within the Trust will be mindful of all signs of abuse, neglect and exploitation and use their professional curiosity to raise concerns to the DSL.
- 5.5 The DSL in the school will take the lead where early help is appropriate. This includes liaising with other agencies and setting up an inter-agency assessment as appropriate. The local early help process will be followed as required.

- 5.6 The Board of Trustees or delegated authority will collaborate with the relevant LAs and external agencies to engage with the local early help process.
- 5.7 Staff within the Trust may be required to support other agencies and professionals in an early help assessment, in some cases acting as the lead practitioner. Any such cases will be kept under constant review and consideration given to a referral to Children's Social Care for assessment for statutory services if the pupil's situation is not improving or is worsening.

6. Abuse and neglect

- 6.1 All staff within the Trust will be aware of the indicators of abuse, neglect and exploitation and will understand that children can be at risk of harm inside and outside of school, inside and outside of the home and online. Staff will also be aware that pupils can be affected by seeing, hearing or experiencing the effects of abuse.
- 6.2 All staff within the Trust will recognise that abuse or neglect of a child may occur through the infliction of harm or through the failure to act to prevent harm. The school will understand that harm can include ill treatment that is not physical in nature, as well as the psychological impact of witnessing the ill treatment of others.
- 6.3 All staff working within the Trust will pay particular attention to the effects of domestic abuse on children, recognising that harm may arise not only when children are directly involved, but also when they see, hear, or otherwise experience its consequences. All necessary steps will be taken to identify and respond appropriately to such concerns in order to safeguard and promote the welfare of all pupils.
- 6.4 All staff working within the Trust will be aware that abuse, neglect and other safeguarding issues are rarely standalone events that can be given a specific label, and multiple issues often overlap one another; therefore, staff will be vigilant and always raise concerns with the DSL.
- 6.5 All staff within the Trust, especially the DSP and deputy DSL(s), will be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside of these environments; this includes being aware that pupils can be at risk of abuse or exploitation in situations outside their families (extra-familial harms).
- 6.6 All staff within the Trust will be aware of the appropriate action to take following a pupil being identified as at potential risk of abuse and, in all cases, will speak to the DSL if they are unsure.
- 6.7 All staff within the Trust will be aware that technology is a significant component in many safeguarding and wellbeing issues, including online abuse, cyberbullying, and the sharing of indecent images.

7. Specific safeguarding issues

- 7.1 There are certain specific safeguarding issues that can put children at risk of harm – staff will be aware of these issues.
- 7.2 [Appendix 1](#) of this policy sets out details about specific safeguarding issues that pupils may experience and outlines specific actions that would be taken in relation to individual issues.

8. Child-on-child abuse

- 8.1 For the purposes of this policy, “**child-on-child abuse**” is defined as abuse between children.
- 8.2 The Trust has a zero-tolerance approach to abuse, including child-on-child abuse, as confirmed in the Child Protection and Safeguarding Policy’s statement of intent.
- 8.3 All staff within the Trust will be aware that child-on-child abuse can occur between pupils of any age and gender, both inside and outside of school, as well as online.
- 8.4 All staff within the Trust will be aware of the indicators of child-on-child abuse, how to identify it, and how to respond to the reports. All staff will also recognise that even if not cases have been reported, this is not an indicator that child-on-child abuse is not occurring.
- 8.5 All staff will speak to the DSL if they have any concerns about child-on-child abuse.
- 8.6 All staff will understand the importance of challenging inappropriate behaviour between peers and will not tolerate abuse as “banter” or “part of growing up”.
- 8.7 Child-on-child abuse can be manifested in many different ways, including:
- Bullying, including cyberbullying and prejudice-based or discriminatory bullying
 - Abuse in intimate personal relationships between peers – sometimes known as “teenage relationship abuse”
 - Physical abuse – this may include an online element which facilitates, threatens and/or encourages physical abuse
 - Sexual violence – this may include an online element which facilitates, threatens and/or encourages sexual violence
 - Sexual harassment, including online sexual harassment, which may be standalone or part of a broader pattern of abuse
 - Causing someone to engage in sexual activity without consent
 - The consensual and non-consensual sharing of nude and semi-nude images and/or videos
 - Upskirting
 - Initiation- and hazing-type violence and rituals, which can include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group, and may also include an online element.

- 8.8 The Trust is aware that some children may be particularly vulnerable and have an increased risk of abuse. Each school within the Trust will recognise that children with SEND, or certain health conditions, are three times more likely to be abused by their peers (including prejudice-based bullying) than other children. The schools will consider extra pastoral support for these pupils.
- 8.9 The Trust understands that all pupils have the right to be safeguarded from harm regardless of race, religion, ethnicity, age, gender, sexuality or disability and will ensure that all schools within the Trust give special consideration to, amongst others, pupils who:
- Have SEND
 - Are vulnerable to being bullied
 - Are looked after or living in unsupportive home situations
- 8.10 The DSLs or deputy DSLs in schools within the Trust will ensure they appropriately assess all instances of child-on-child abuse, including in cases of image-based abuse, to help determine whether the alleged perpetrator(s) is under the age of 18 or is an adult posing as a child. The DSL or deputy DSL will immediately refer the case if it found that a so-called child-on-child abuse incident involves an adult, e.g. where an adult poses as a child online to groom a child or young person.
- 8.10 All staff within the Trust will be clear as to the school's policy and procedures regarding child-on-child abuse and the role they have to play in preventing it and responding where they believe a child may be at risk from it.
- 8.11 Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled. This includes the process for reporting concerns about friends or peers. Pupils will also be reassured that they will be taken seriously, be supported, and kept safe.
- 8.12 The Trust's procedures for managing allegations of child-on-child abuse are outlined above, as well as the procedures outlined in the school's Anti-Bullying Policy and Exclusion Policy, where relevant.

9. Online safety and personal electronic devices

- 9.1 As part of a broad and balanced curriculum, all pupils within the Trust's schools will be made aware of online risks and taught how to stay safe online.
- 9.2 Through training, all staff within the Trust will be made aware of the following:
- Pupil attitudes and behaviours which may indicate they are at risk of potential harm online
 - The procedure to follow when they have a concern regarding a pupil's online activity.
- 9.3 The Trust will ensure that staff training in online safety in each of its schools covers the four categories of risk as outlined in KCSIE:

- **Content** – Staff will be trained to understand the risks associated with being exposed to illegal, inappropriate, or harmful material. This will include, but not be limited to, content relating to pornography, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, extremism, misinformation, disinformation, and conspiracy theories.
- **Contact** - Training will address the risks of harmful online interaction with other users. This will include peer-to-peer pressure, exposure to commercial advertising, and the threat posed by adults impersonating children or young people with the intention of grooming or exploiting them for sexual, criminal, financial, or other purposes.
- **Conduct** – Staff will be made aware of how certain online behaviours may increase the likelihood of harm or result in actual harm. This will encompass activities such as creating, sending, or receiving explicit images, the distribution of other explicit material, and instances of online bullying.
- **Commerce** – The programme will also cover risks related to online commerce. These will include dangers such as online gambling, exposure to inappropriate advertising, phishing attempts, and other types of financial scams. Any concerns that pupils or staff may be at risk will be reported promptly to the Anti-Phishing Working Group or through appropriate safeguarding channels.

9.4 The Trust will ensure that suitable filtering systems are in place on all ICT equipment in each of its schools to prevent children accessing inappropriate material, terrorist and extremist material, in accordance with filtering and monitoring standards published by the DfE.

9.5 All Staff within the Trust will be aware of filtering systems in place and will know how to escalate concerns where they are identified. Staff will be made aware of their expectations and responsibilities relating to filtering and monitoring systems during their induction.

Communicating with parents

9.6 As part of the usual communication with parents, the Trust will reinforce the importance of pupils being safe online and inform parents that they will find it helpful to understand what systems the school uses to filter and monitor online use.

9.7 Schools will also make it clear to parents what their children are being asked to do online for school.

Reviewing online safety

9.8 All schools within the Trust will carry out an annual review of their approach to online safety, supported by an annual risk assessment that considers and reflects the risks faced by pupils.

Personal electronic devices

9.9 The use of personal electronic devices, including mobile phones and cameras, by staff and pupils is closely monitored by the Trust and its schools, in accordance with the Technology Acceptable Policy.

- 9.10 The Trust will ensure that schools are adhering to Data Protection Policy and that the taking of any photographs and videos of pupils will be carefully planned before any activity with particular regard to consent. The Trust will ensure DPO service will oversee the planning of any events where photographs and videos will be taken.
- 9.11 Where photographs and videos will involve pupils who are LAC, adopted pupils, or pupils for whom there are security concerns, the headteacher will liaise with the DSL to determine the steps involved. The DSL will, in known cases of pupils who are LAC or who have been adopted, liaise with the pupils' social workers, carers or adoptive parents to assess the needs and risks associated with the pupils.
- 9.12 All Staff within the Trust will report any concerns about pupils' or other staff members' use of personal electronic devices to the DSL, following the appropriate procedures.

Upskirting

- 9.13 Under the Voyeurism (Offences) Act 2019, it is an offence to operate equipment for the purpose of upskirting.
- 9.14 **"Operating equipment"** includes enabling, or securing, activation by another person without that person's knowledge, e.g. a motion-activated camera.
- 9.15 Upskirting will not be tolerated by the Trust. Any incidents of upskirting will be reported to the DSL who will then decide on the next steps to take, which may include police involvement.

10. Consensual and non-consensual sharing of indecent images and videos

- 10.1 The schools within the Trust will ensure that staff are aware to treat the contextual and non-contextual sharing of nude or semi-nude images and/or images, (also known as sexting or youth produced sexual images) as a safeguarding concern.
- 10.2 Staff will receive appropriate training regarding child sexual development and will understand the difference between sexual behaviour that is considered normal and expected for the age of the pupil, and sexual behaviour that is inappropriate and harmful. Staff will receive appropriate training around how to deal with instances of sexting in the school community, including understanding motivations, assessing risks posed to pupils depicted in the images, and how and when to report instances of this behaviour.
- 10.3 Staff will be aware that creating, possessing, and distributing indecent imagery of children is a criminal offence, regardless of whether the imagery is created, possessed, and distributed by the individual depicted; however, staff will ensure that pupils are not unnecessarily criminalised.

- 10.4 Staff will also be made aware that the laws imposed on the sharing of nudes and semi-nudes applies to digitally manipulated and AI-generated imagery.
- 10.5 Where a member of staff becomes aware of an incidence of sharing nudes and/or semi nudes, they will refer this to the DSL as soon as possible.
- 10.6 Where a pupil confides in a staff member about the circulation of indecent imagery, depicting them or someone else, the staff member will:
- Refrain from viewing, copying, printing, sharing, storing or saving the imagery.
 - Inform the affected school's DSL immediately if they accidentally view an indecent image and seek support.
 - Explain to the pupil that the incident will need to be reported.
 - Respond positively to the pupil without blaming or shaming anyone involved and reassuring them that they can receive support from the school's DSL.
 - Report the incident to the school's DSL.

11. Context of safeguarding incidents

- 11.1 Safeguarding incidents can occur outside of school and can be associated with outside factors. All staff, particularly the DSL and deputy DSLs, will always consider the context of safeguarding incidents. Assessment of pupils' behaviour will consider whether there are wider environmental factors that are a threat to their safety and/or welfare. The school will provide as much contextual information as possible when making referrals to Children's Social Care.

12. Pupils potentially at greater risk of harm

- 12.1 Each school within the Trust recognises that some groups of pupils can face additional safeguarding challenges and understands that further barriers may exist when determining abuse and neglect in these groups of pupils. Additional considerations for managing safeguarding concerns and incidents amongst these groups are outline below.

Pupils who need social workers (Child in Need and Child Protection Plans)

- 12.2 Pupils may need social workers due to safeguarding or welfare needs. These needs can leave pupils vulnerable to further harm or educational disadvantage.
- 12.3 As a matter of routine, the DSL will hold and use information from the LA about whether a pupil has a social worker in order to make decisions in the best interests of the pupil's safety, welfare, and educational outcomes.
- 12.4 Where a pupil needs a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence or missing in education, and promoting welfare, e.g. considering the provision, pastoral or academic support.

Home-educated children

- 12.5 Parents may choose elective home education (EHE) for their children. In some cases, EHE can mean that children are less visible to the services needed to safeguard and support them.
- 12.6 In line with the School Attendance (Pupil Registration) (England) Regulations 2024, each school with the Trust will inform the LA of all deletions from the admissions register when a pupil is taken off roll.
- 12.7 Where a parent has expressed their intention to remove a pupil from school for EHE, the school, in collaboration with the LA and other key professionals, will coordinate a meeting with the parent, where possible, before the final decision has been made, particularly if the pupil has SEND, is vulnerable, and/or has a social worker.

LAC and PLAC

- 12.8 Children most commonly become looked after because of abuse and/or neglect. Because of this, they can be potentially at greater risk in relation to safeguarding. PLAC, also known as care leavers, can also remain vulnerable after leaving care.
- 12.9 The Board of Trustees will ensure that staff have the skills, knowledge and understanding to keep LAC and PLAC safe. This includes ensuring the appropriate staff have the information they need, such as:
- Looked after legal status, i.e. whether they are looked after under voluntary arrangements with consent of parents, or on an interim or full care order
 - Contact arrangements with parents or those with parental responsibility
 - Care arrangements and the level of authority delegated to the carer by the authority looking after the pupil.
- 12.10 The DSL will be provided with the necessary details of pupils' social workers and the VSH, and for PLAC, personal advisers.

Pupils with SEND

- 12.11 When managing safeguarding in relation to pupils with SEND, staff within the Trust will be aware of the following:
- Certain indicators of abuse such as behaviour, mood and injury may relate to the pupil's disability without further explanation
 - Pupils with SEND can be disproportionately impacted by things like bullying, without outwardly showing any signs
 - Communication barriers may exist, as well as difficulties in overcoming these barriers.
- 12.12 When reporting concerns or making referrals for pupils with SEND, the above factors will always be taken into consideration. When managing a safeguarding issue relating to a pupil with SEND, the DSL will liaise with the school's SENDCo, as well as the pupil's family where appropriate, to ensure that the pupil's needs are met effectively.

LGBTQ+ pupils

- 12.13 The fact that a pupil may be LGBTQ+ is not in itself an inherent risk factor for harm; however, staff will be aware that LGBTQ+ pupils can be targeted by other individuals. Staff will also be aware that, in some cases, a pupil who is perceived by others to be LGBTQ+ (whether they are or not) can be just as vulnerable as pupils who identify as LGBTQ+.
- 12.14 Staff will also be aware that the risks to these pupils can be compounded when they do not have a Trusted adult with whom they can speak openly with. Staff will endeavour to reduce the additional barriers faced by these pupils and provide a safe space for them to speak out and share any concerns they have.

Pupils require mental health support

- 12.15 All staff will be made aware that mental health problems can, in some cases, be an indicator that a pupil has suffered, or is at risk of suffering, abuse, neglect or exploitation.

13. Use of the school premises for non-school activities

- 13.1 Where a school within the Trust hires or rents out school facilities or the school premises to organisations or individuals, e.g. for providers to run community or extracurricular activities, it will ensure that appropriate safeguarding arrangements are in place to keep pupils safe.
- 13.2 The Trust will ensure that schools with the Trust refer to the DfE's guidance on keeping children safe in out-of-school settings in these circumstances.
- 13.3 Where a school within the Trust provides the activities under the direct supervision or management of school staff, child protection arrangements will apply.
- 13.4 Where activities are provided separately by another body, this may not be the case; therefore, the Board of Trustees or delegated authority will seek assurance that the body concerned has appropriate safeguarding and child protection policies and procedures in place, including inspecting these as needed.
- 13.5 The Board of Trustees or delegated authority will also ensure that there are arrangements in place to liaise with the school on these matters where appropriate.
- 13.6 The Board of Trustees or delegated authority will ensure safeguarding requirements are included in any transfer of control agreement, i.e. a lease or hire agreement, as a condition of use and occupation of the premises, and specify that failure to comply with this would lead to termination of the agreement.

Extracurricular activities and clubs

- 13.7 External bodies that host extracurricular activities and clubs at the school, e.g. charities or companies, will work in collaboration with schools within the Trust to effectively safeguard pupils and adhere to local safeguarding arrangements.
- 13.8 Staff and volunteer staff running clubs and extracurricular activities are aware of their safeguarding responsibilities and promote the welfare of pupils.
- 13.9 Paid and volunteer staff understand how they should respond to child protection concerns and how to make a referral to CSCS or the police, if necessary.
- 13.10 All national governing boards of sport that receive funding from either Sport England or UK Sport, must aim to meet the Standards for Safeguarding and Protecting Children in Sport.

14. Alternative provision

- 14.1 The Trust will remain responsible for a pupil's welfare during their time at an alternative provider. When placing a pupil with an alternative provider, the Trust will obtain written confirmation that the provider has conducted all relevant safeguarding checks on staff and will satisfy itself that the placement is meeting the pupil's needs.
- 14.2 Those responsible for the commissioning of alternative provision will be aware that pupils in alternative provision will often have complex needs – they will be mindful of the additional risk of harm that these pupils may be vulnerable to.

15. Work experience

- 15.1 When a pupil is sent on work experience, the school will ensure that the provider has appropriate safeguarding policies and procedures in place. Where the school has pupils conduct work experience at the Trust, an enhanced DBS check will be obtained if the pupil is over the age of 16.

16. Homestay exchange visits

School-arranged homestays in UK

- 16.1 Where schools within the Trust are arranging for a visiting child to be provided with care and accommodation in the UK in the home of a family to which the child is not related, the responsible adults are considered to be in regulated activity for the period of the stay. In such cases, the school is the regulated activity provider; therefore, the school will obtain all the necessary information required, including a DBS enhanced certificate with barred list information, to inform its assessment of the suitability of the responsible adults.
- 16.2 Where criminal record information is disclosed, schools will consider, alongside other information, whether the adult is a suitable host. In addition to the responsible adults, the school will consider whether a DBS enhanced certificate should be obtained for anyone else aged over 16 in the household.

School-arranged homestays abroad

- 16.3 The Trust will ensure that schools within the Trust are aware of their responsibility to liaise with partner schools to discuss and agree the arrangements in place for the visit. Schools within the Trust will consider, on a case-by-case basis, whether to contact the relevant foreign embassy or High Commission of the country in question to ascertain what checks may be possible in respect of those providing homestay outside of the UK. Each school will use its professional judgement to assess whether the arrangements are appropriate and sufficient to safeguard every child involved in the exchange. Pupils will be provided with emergency contact details to use where an emergency occurs or a situation arises that makes them feel uncomfortable.

Privately arranged homestays

- 16.4 Where a parent or pupil arranges their own homestay, this is a private arrangement and the school is not the regulated activity provider.

Private fostering

- 16.5 Where the period of UK homestay lasts 28 days or more for a child aged under 16, or under 18 for a child with SEND, this may amount to private fostering under the Children Act 1989. Where the school becomes aware of a pupil being privately fostered, they will notify the LA as soon as possible to allow the LA to conduct any necessary checks.

17. Concerns about pupils

- 17.1 The Trust will approve and continuously monitor the procedures within each school for reporting concerns about a pupil's welfare. Monitoring visits will be conducted by the designated safeguarding **Trustee** at least termly and will assess whether each school:
- Has clear procedures for staff to report concerns to their DSL.
 - Has clear procedures for the DSL to make referrals to their LA.

- Has trained its staff members to understand their responsibilities in these procedures.
 - Has ensured all staff are aware of their obligations in relation to confidentiality and information sharing.
- 17.2 Staff within the Trust will be aware that pupils may not feel ready or know how to tell someone that they are being abused, exploited or neglected, and/or they may not recognise their experiences as harmful. Staff will be aware that this must not prevent them from having professional curiosity and speaking to the DSL, or deputy DSL, if they have a concern about a pupil.
- 17.3 The Trust will ensure that all staff members are aware of the procedure for reporting concerns and understand their responsibilities in relation to confidentiality and information sharing, as outlined in the [communication and confidentiality](#) section of this policy.
- 17.4 The Trust adopts a zero-tolerance approach to child-on-child abuse, which is defined as abuse between children under the age of 18.
- 17.5 The school will consider whether a family group decision-making forum is appropriate to determine the help and support the family network can provide for a pupil where concerns have been raised about their safety or wellbeing.

18. Managing referrals

- 18.1 The reporting and referral process outlined in the Reporting Safeguarding Concerns Process Flowchart (below) will be followed accordingly.
- 18.2 All staff members, in particular the DSLs and Deputy DSLs working in schools within the Trust, will be aware of the LA's arrangements in place for managing referrals. The DSLs will provide staff members with clarity and support where needed. When making a referral to CSCS or other external agencies, information will be shared in line with confidentiality requirements and will only be shared where necessary to do so.
- 18.3 The DSLs will work alongside external agencies, maintaining continuous liaison, including multi-agency liaison where appropriate, in order to ensure the wellbeing of the pupils involved. The DSL will work closely with the police to ensure the school does not jeopardise any criminal proceedings, and to obtain help and support as necessary.
- 18.4 Where a pupil has been harmed or is in immediate danger or at risk of harm, the referrer will be notified of the action that will be taken within one working day of a referral being made. Where this information is not forthcoming, the referrer will contact the assigned social worker for more information.

- 18.5 Schools within the Trust will not wait for the start or outcome of an investigation before protecting the victim and other pupils: this applies to criminal investigations as well as those made by CSCS. Where CSCS decide that a statutory investigation is not appropriate, the school will consider referring the incident again if it is believed that the pupil is at risk of harm. Where CSCS decide that a statutory investigation is not appropriate and the school agrees with this decision, the school will consider the use of other support mechanisms, such as early help and pastoral support.
- 18.6 At all stages of the reporting and referral process, the pupil will be informed of the decisions made, actions taken and reasons for doing so. Discussions of concerns with parents will only take place where this would not put the pupil or others at potential risk of harm. Schools will work closely with parents to ensure that the pupil, as well as their family, understands that the arrangements in place, such as in-school interventions, are effectively supported and know where they can access additional support.

19. Concerns about school safeguarding practices

- 19.1 Any concerns regarding the safeguarding practices at the Trust will be raised with the SLT, and the necessary whistleblowing procedures will be followed, as outlined in the Trust's Whistleblowing Policy. If a staff member feels unable to raise an issue with the SLT, they should access other whistleblowing channels such as the NSPCC whistleblowing helpline (0800 028 0285).

20. Safeguarding concerns and allegations of abuse against staff

- 20.1 All allegations against school staff, Trust staff, supply staff, volunteers and contractors will be managed in line with the Trust's Allegations of Abuse Against Staff Policy, a copy of which will be provided to, and understood by, all staff. The Trust will ensure its schools are equipped to manage all allegations against staff, including those who are not employees of the school, are dealt with appropriately and that the school liaises with the relevant parties.
- 20.2 When managing allegations against staff, the school will recognise the distinction between allegations that meet the harms threshold and allegations that do not, also known as "low-level concerns", as defined in the Allegations of Abuse Against Staff Policy.
- 20.3 Allegations that meet the harms threshold include instances where staff have:
- Behaved in a way that has harmed a child, or may have harmed a child
 - Committed or possibly committed a criminal offence against or related to a child
 - Behaved towards a child in a way that indicates they may pose a risk of harm to children
 - Behaved, or may have behaved, in a way that indicates they may not be suitable to work with children (this includes behaviours outside of school).
- 20.4 Allegations should be reported to the LADO 'without delay'.

- 20.5 Before contacting the LADO, schools and colleges should conduct basic enquiries in line with local procedures to establish the facts to help them determine whether there is any foundation to the allegation, being careful not to jeopardise any future police investigation.
- 20.6 The LADO's role is not to investigate the allegation, but to ensure that an appropriate investigation is carried out, whether that is by the police, children's social care, the school or college, or a combination of these.

Low-level concerns

- 20.7 Concerns may be graded low-level if the concern does not meet the criteria for an allegation: and the person* has acted in a way that is inconsistent with the staff code of conduct, including inappropriate conduct outside of work. Example behaviours include, but are not limited to:
- Being over friendly to children
 - Having favourites
 - Taking photographs of children on their mobile phone
 - Engaging with a child on a one-to-one basis in a secluded area or behind a closed door
 - Using inappropriate sexualised, intimidating or offensive language
- 20.8 If the concern has been raised via a third party, the Headteacher should collect as much evidence as possible by speaking:
- Directly to the person who raised the concern, unless it has been raised anonymously.
 - To the individual involved and any witnesses.
- 20.9 Reports about supply staff and contractors should be notified to their employers, so any potential patterns of inappropriate behaviour can be identified.
- 20.10 Staff should be encouraged and feel confident to self-refer, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.
- 20.11 Low-level concerns should be recorded in writing, including:
- Name of the individual sharing their concerns
 - Details of the concern
 - Context in which the concern arose
 - Action taken

(If the individual wishes to remain anonymous then that should be respected as far as reasonably possible).

- 20.12 Records must be kept confidential, held securely and comply with the Data Protection Act 2018. Schools and colleges should decide how long they retain such information, but it is recommended that it is kept at least until the individual leaves their employment.
- 20.13 Records should be reviewed so that potential patterns of concerning, problematic or inappropriate behaviour can be identified.
- 20.14 If a concerning pattern of behaviour is identified and now meets the criteria for an allegation, then the matter should be referred to the LADO.
- 20.15 The records' review might identify that there are wider cultural issues within the school or college that enabled the behaviour to occur. This might mean that policies and processes could be revised, or extra training delivered to minimise the risk of it happening again.

21. Communication and confidentiality

- 21.1 When recording, holding, using and sharing information, the DSL at each school will ensure that they:
- Understand the importance of information sharing, both within the school and with other schools or transfer including in-year and between primary and secondary education, and with safeguarding partners, other agencies, organisations and practitioners.
 - Understanding relevant data protection legislation and regulations, in particular the Data Protection Act 2018 and the UK GDPR.
 - Are able to keep detailed, accurate, secure written records of all concerns, discussions and decisions made including the rationale of those decisions. This will include instances where referrals were and were not made to another agency such as LA children's social care or the Prevent Programme.
- 21.2 All child protection and safeguarding concerns will be treated in the strictest of confidence in accordance with Trust data protection policies.
- 21.3 Where there is an allegation or incident of sexual abuse or sexual violence, the victim is entitled to anonymity by law; therefore, the Trust and affected schools will consult its policy and agree on what information will be disclosed to staff and others, in particular the alleged perpetrator and their parents. Where a report of sexual violence or sexual harassment is progressing through the criminal justice system, the school will do all it can to protect the anonymity of the pupils involved in the case.
- 21.4 Concerns will only be reported to those necessary for its progression and reports will only be shared amongst staff members and with external agencies on a need-to-know basis. During the disclosure of a concern by a pupil, staff members will not promise the pupil confidentiality and will ensure that they are aware of what information will be shared, with whom and why.

- 21.5 Where it is in the public interest, and protects pupils from harm, information can be lawfully shared without the victim's consent, e.g. if doing so would assist the prevention, detection or prosecution of a serious crime. Before doing so, the DSL will weigh the victim's wishes against their duty to protect the victim and others. Where a referral is made against the victim's wishes, it is done so carefully with the reasons for the referral explained to the victim and specialist support offered.
- 21.6 Depending on the nature of a concern, the DSL will discuss the concern with the parents/carers of the pupils involved. Discussions with parents/carers will not take place where they could potentially put a pupil at risk of harm. External agencies will be invited to these discussions where necessary.
- 21.7 Where confidentiality or anonymity has been breached, the Trust will implement the appropriate disciplinary procedures as necessary and will analyse how damage can be minimised and future breaches be prevented.

22. Safer recruitment

- 22.1 The Trust's full policy and procedures for safer recruitment are outlined in the Safe Recruitment procedure.
- 22.2 An enhanced DBS check with barred list information will be undertaken for all staff members engaged in regulated activity. A person will be considered to be in 'regulated activity' if, as a result of their work, they:
- Are responsible on a daily basis for the care or supervision of children
 - Regularly work in the school at times when children are on the premises
 - Regularly come into contact with children under 18 years of age
- 22.3 The DfE's [DBS Workforce Guides](#) will be consulted when determining whether a position fits the child workforce criteria.
- 22.4 The Board of Trustees will conduct the appropriate pre-employment checks for all prospective Trust employees, including internal candidates and candidates who have lived or worked outside the UK. This responsibility may be delegated by the Board of Trustees as required.
- 22.5 The appropriate DBS and suitability checks will be carried out for all Trustees and Governors, volunteers, contractors and self-employed workers within the Trust.
- 22.6 The Chair of Trustees will undertake a suitability check by the DfE and an enhanced DBS check that will be conducted regardless of checks previously performed by other organisations or how recently these took place.

Referral to the DBS

- 22.7 The Trust will refer to the DBS anyone who has harmed a child or poses a risk of harm to a child, or if there is reason to believe the member of staff has committed an offence and has been removed from working in regulated activity.

- 22.8 The duty will also apply in circumstances where an individual is deployed to another area of work that is not in regulated activity or they are suspended.

23. Single Central Record (SCR)

- 23.1 The Trust will maintain a central SCR containing information that is easily accessible and recorded in such a way that allows for details for each individual academy to be provided separately, and without delay, to all who need to see it, including Ofsted.
- 23.2 The SCR which records all staff, including agency and third-party supply staff and teacher trainees on salaried routes, who work at the school.
- 23.3 The following information is recorded on the SCR:
- An identity check
 - A barred list check
 - An enhanced DBS check
 - A prohibition from teaching check
 - A check of professional qualifications, where required
 - A check to determine the individual's right to work in the UK
 - Additional checks for those who have lived or worked outside of the UK
 - A Section 128 check for those in management positions
- 23.4 The Trust will ensure that schools within the Trust have appropriate procedures in place for ensuring that the necessary checks have been conducted by the employment business supplying any members of staff for agency and third-party supply staff, the school will also record whether written confirmation from the employment business supplying the member of staff has been received, which indicates that all of the necessary checks have been conducted. This will amount to all the same checks the school would perform on any individual working in the school or who will be providing education on the school's behalf, including through online delivery and the date that confirmation was received.
- 23.5 The school is aware that self-employed people are not able to make an application directly to the DBS on their own account. When employing the services of self-employed workers and contractors, the school will consider obtaining the DBS check on their behalf and recording this information on their SCR.
- 23.6 If any checks have been conducted for volunteers, this will also be recorded on the SCR. If risk assessments are conducted to assess whether a volunteer should be subject to an enhanced DBS check, the risk assessment will be recorded.
- 23.7 Written confirmation that supply agencies have completed all relevant checks will also be included.
- 23.8 The Trust or schools are free to record any other information it deems relevant.
- 23.9 The details of an individual will be removed from the SCR once they no longer work at the Trust or any of its schools.

24. Training

24.1 The Trust will ensure that all staff undergo safeguarding and child protection training at induction, which will be updated on a regular basis, and/or whenever there is a change in legislation.

24.2 The induction training will cover:

- The Child Protection and Safeguarding Policy
- The Child-on-child Abuse procedures
- The Staff Code of Conduct
- Part one of the 'Keeping children safe in education' (KCSIE) (or Annex A, if appropriate)
- The Behaviour Policy
- The safeguarding response to children who go missing from education
- Appropriate child protection and safeguarding training, including online safety training – which, amongst other things, includes an understanding of expectations, applicable roles and responsibilities in relation to filtering and monitoring
- The identity of the DSL and any deputies
- The role of the DSL and deputy DSLs

24.3 All staff members will also receive regular safeguarding and child protection updates as required, but at least annually.

24.4 Training will cover, at a minimum:

- The issues surrounding sexual violence and sexual harassment
- Contextual safeguarding
- How to keep previously LAC and PLAC safe
- Child criminal exploitation and the need to refer cases to the National Referral Mechanism
- Updated online safety training

24.5 Staff will receive opportunities to contribute towards and inform the safeguarding arrangements in the school.

24.6 The DSL will undergo updated child protection training every two years, as well as additional training to refresh their skills and knowledge at regular intervals (at least annually) to allow them to keep up with any developments relevant to their role. This will include training to understand:

- The assessment process for providing early help and statutory intervention, including local criteria for action and CSCS referral arrangements.
- How LAs conduct child protection case conferences and a child protection review conferences, to enable the DSL to attend and contribute to these effectively when required.

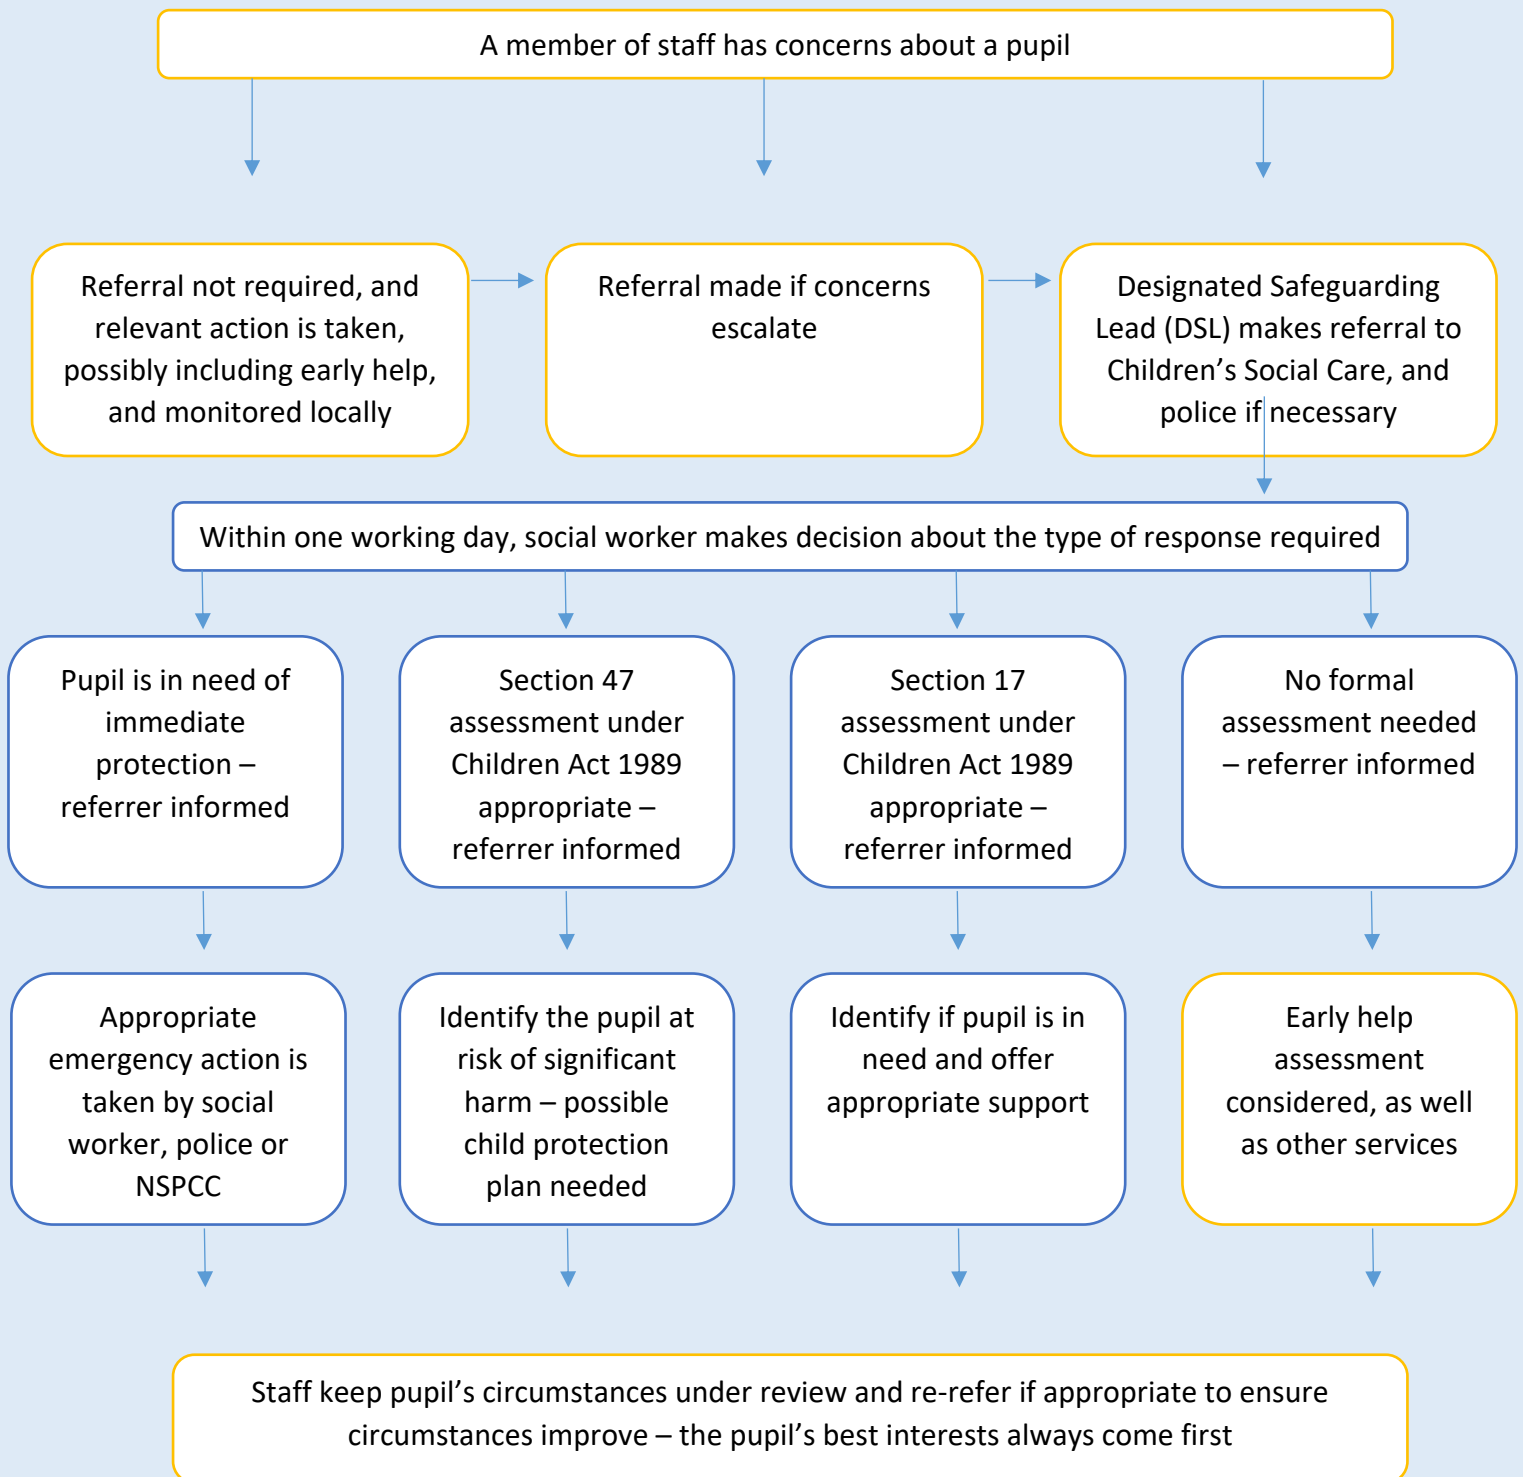

- The importance of providing information and support to CSCS.
- The lasting impact that adversity and trauma can have.
- How to be alert to the specific needs of children in need, pupils with SEND and/or relevant health conditions, and young carers.
- The importance of internal and external information sharing.
- The Prevent duty.
- The risks associated with online safety, including the additional risks faced online by pupils with SEND.

25. Monitoring and review

- 25.1 This policy is reviewed annually by the DSL, headteacher and Board of Trustees. This policy will be updated as needed to ensure it is up-to-date with safeguarding issues as they emerge and evolve, including any lessons learnt.
- 25.2 Any changes made to this policy by the headteacher, DSL and Board of Trustees will be communicated to all members of staff.
- 25.3 All members of staff are required to familiarise themselves with all processes outlined in this policy as part of their induction programme.
- 25.4 The Trust will ensure that any child protection incidents at any of its schools will be followed by a review of the safeguarding procedures within that school and a prompt report to the governing board. Where an incident involves a member of staff, the LADO will assist in this review to determine whether any improvements can be made to the school's procedures.
- 25.5 If any concerns are raised by the LADO or Ofsted about safeguarding issues, the following actions will be taken:
- The DSL conducts an investigation as a priority and comply with any deadlines given
 - The Chair of the Governors reports to the LADO or Ofsted on the findings of the investigation and sets out any action to be taken

The school endeavours to comply as soon as possible with any recommendations from the LADO or Ofsted.

Appendix 1 – Specific safeguarding issues

This appendix sets out details about specific safeguarding issues that pupils may experience and outlines specific actions that would be taken in relation to individual issues.

Here are the issues covered:

1. Domestic abuse
2. Homelessness
3. Children absent from education
4. Child abduction and community safety incidents
5. Child criminal exploitation (CCE)
6. Cyber-crime
7. Child sexual exploitation (CSE)
8. Modern slavery
9. FGM
10. Virginity testing and hymenoplasty
11. Forced marriage
12. Radicalisation
13. Pupils with family members in prison
14. Pupils required to give evidence in court
15. Mental health
16. Serious violence
17. Adult involvement in youth-produced sexual imagery

1. Domestic abuse

For the purpose of this policy, and in line with the Domestic Abuse Act 2021, “**domestic abuse**” is defined as abusive behaviour of a person towards another person (including conduct directed at someone else, e.g. the person’s child) where both are aged 16 or over and are personally connected. “**Abusive behaviour**” includes physical or sexual abuse, violent or threatening behaviour, controlling or coercive behaviour, economic abuse, psychological or emotional abuse, or another form of abuse. “**Personally connected**” includes people who:

- Are, have been, or have agreed to be married to each other.
- Are, have been, or have agreed to be in a civil partnership with each other.
- Are, or have been, in an intimate personal relationship with each other.
- Each have, or had, a parental relationship towards the same child.
- Are relatives.

The school will recognise the impact of domestic abuse on children, as victims in their own right, if they see, hear or experience the effects of domestic abuse. All staff will be aware of the signs of domestic abuse and follow the appropriate safeguarding procedures where concerns arise.

The National Domestic Abuse helpline can be called free of charge and in confidence, 24 hours a day on 0808 2000 247.

2. Homelessness

The DSL and deputy DSL(s) will be aware of the contact details and referral routes in to the Local Housing Authority so that concerns over homelessness can be raised as early as possible.

Indicators that a family may be at risk of homelessness include the following:

- Household debt
- Rent arrears
- Domestic abuse
- Anti-social behaviour
- Any mention of a family moving home because “they have to”

Referrals to the Local Housing Authority do not replace referrals to Children’s Social Care where a child is being harmed or at risk of harm.

For 16- and 17-year-olds, homelessness may not be family-based and referrals to Children’s Social Care will be made as necessary where concerns are raised.

3. Children absent from education

A child going absent from school can be a vital warning sign of a range of safeguarding issues, including neglect, CSE and CCE, particularly county lines.

The school will ensure that the response to children persistently absent from education supports identification such as abuse and helps prevent the risk of pupils becoming absent from education in the future.

Staff will monitor pupils that are absent from the school, particularly on repeat occasions and/or prolonged periods, and report them to the DSL following normal safeguarding procedures. The school will inform the LA of any pupil who fails to attend regularly, or has been absent without the school’s permission for a continuous period of 10 school days or more.

The school will follow the DfE’s guidance on improving attendance where there is a need to work with children’s services due to school absences indicating safeguarding concerns.

Admissions register

Pupils are placed on the admissions register at the beginning of the first day that is agreed by the school, or when the school has been notified that the pupil will first be attending. The school will notify the LA within five days of when a pupil’s name is added to the admissions register.

The school will ensure that the admissions register is kept up-to-date and accurate at all times, and will inform parents/carers when any changes occur. Two emergency contact details will be held for each pupil where possible. Staff will monitor pupils who do not attend the school on the agreed date, and will notify the LA at the earliest opportunity.

If a parent/carer notifies the school that their child will live at a different address, the school will record the following information on the admissions register:

- The full name of the parent/carer with whom the pupil will live
- The new address
- The date from which the pupil will live at this address

If a parent/carer notifies the school that their child will be attending a different school, or is already registered at a different school, the following information will be recorded on the admissions register:

- The name of the new school
- The date on which the pupil first attended, or is due to attend that school

Where a pupil moves to a new school, the school will use the internet system school2school to securely transfer pupils' data.

In order to ensure accurate data is collected to allow effective safeguarding, the school will inform the LA of any pupil who is going to be deleted from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006 (as amended), where they:

- Have been taken out of school by their parents/carers, and are being educated outside the national education system e.g. home education.
- Have ceased to attend the school, and no longer live within a reasonable distance of the premises.
- Have been certified by the school's medical officer as unlikely to be in a fit state of health to attend, before ceasing to be of compulsory school age, and neither he/she nor his/her parent/carer has indicated the intention to continue to attend the school after ceasing to be of compulsory school age.
- Have been in custody for a period of more than four months due to a final court order and the school does not reasonably believe they will be returning to the school at the end of that period.
- Have been permanently excluded.

The school will also remove a pupil from the admissions register where the school and LA has been unable to establish the pupil's whereabouts after making reasonable enquiries into their attendance.

If a pupil is to be removed from the admissions register, the school will provide the LA with the following information:

- The full name of the pupil

- The full name and address of any parent/carer with whom the pupil lives
- At least one telephone number of the parent/carer with whom the pupil lives
- The full name and address of the parent/carer with whom the pupil is going to live, and the date that the pupil will start living there, if applicable
- The name of the pupil's new school and the pupil's expected start date there, if applicable
- The grounds for removal from the admissions register under regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 (as amended)

The school will work with the LA to establish methods of making returns for pupils back into the school. The school will highlight to the LA where they have been unable to obtain necessary information from parents/carers e.g. where an address is unknown. The school will also highlight any other necessary, contextual information, including safeguarding concerns.

4. Child abduction and community safety incidents

For the purposes of this policy, “**child abduction**” is defined as the unauthorised removal or retention of a child from a parent or anyone with legal responsibility for the child. The child abduction can be committed by parents and other relatives, other people known to the victim, and strangers.

All staff will be alert to community safety incidents taking place in the vicinity of the school that may raise concerns regarding child abduction, e.g. people loitering nearby or unknown adults conversing with pupils.

Pupils will be provided with practical advice and lessons to ensure they can keep themselves safe outdoors.

5. Child Criminal Exploitation (CCE)

For the purposes of this policy, “**child criminal exploitation**” is defined as a form of abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into taking part in criminal activity, for any of the following reasons:

- In exchange for something the victim needs or wants
- For the financial advantage or other advantage of the perpetrator or facilitator
- Through violence or the threat of violence

Specific forms of CCE can include:

- Being forced or manipulated into transporting drugs or money through county lines
- Working in cannabis factories
- Shoplifting or pickpocketing
- Committing vehicle crime
- Committing, or threatening to commit, serious violence to others

The school will recognise that pupils involved in CCE are victims themselves, regardless of whether they have committed crimes, and even if the criminal activity appears consensual. The school will also recognise that pupils of any gender are at risk of CCE.

School staff will be aware of the indicators that a pupil is the victim of CCE, including:

- Appearing with unexplained gifts, money or new possessions
- Associating with other children involved in exploitation
- Suffering from changes in emotional wellbeing
- Misusing drugs or alcohol
- Going missing for periods of time or regularly coming home late
- Regularly missing school or education or not taking part

County lines

For the purposes of this policy, “**county lines**” refers to describe gangs and organised criminal networks exploiting children to move, store or sell drugs and money into one or more areas, locally and/or across the UK, using dedicated mobile phone lines or other forms of “deal line”.

As well as the general indicators for CCE, school staff will be aware of the specific indicators that a pupil may be involved in county lines, including:

- Going missing and subsequently being found in areas away from their home
- Having been the victim or perpetrator of serious violence, e.g. knife crime
- Receiving requests for drugs via a phone line
- Moving drugs
- Handing over and collecting money for drugs
- Being exposed to techniques such as ‘plugging’, where drugs are concealed internally to avoid detection
- Being found in accommodation they have no connection with or a hotel room where there is drug activity
- Owning a ‘debt bond’ to their exploiters
- Having their bank account used to facilitate drug dealing

Staff will be aware of pupils with missing episodes who may have been trafficked for the purpose of transporting drugs. Staff members who suspect a pupil may be vulnerable to, or involved in, county lines activity will immediately report all concerns to the DSL.

The DSL will consider referral to the National Referral Mechanism on a case-by-case basis and consider involving local services and providers who offer support to victims of county lines exploitation.

6. Cyber-crime

For the purpose of this policy, “**cyber-crime**” is defined as criminal activity committed using computers and/or the internet. This includes ‘cyber-enabled’ crimes, i.e. crimes that can happen offline but are enabled at scale and at speed online, and ‘cyber-dependent’ crimes, i.e. crimes that can be committed only by using a computer. Crimes include:

- Unauthorised access to computers, known as ‘hacking’
- Denial of Service attacks, known as ‘booting’
- Making, supplying or obtaining malicious software, or ‘malware’, e.g. viruses, spyware, ransomware, botnets and Remote Access Trojans with the intent to commit further offence

All staff will be aware of the signs of cyber-crime and follow the appropriate safeguarding procedures where concerns arise. This may include the DSL referring pupils to the National Crime Agency’s Cyber Choices programme.

7. Child sexual exploitation (CSE)

For the purpose of this policy “**child sexual exploitation**” is defined as a form of sexual abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person into sexual activity, for either, or both, of the following reasons:

- In exchange for something the victim needs or wants
- For the financial advantage or increased status of the perpetrator or facilitator
- Through violence or the threat of violence

The school will recognise that CSE can occur over time or be a one-off occurrence, and may happen without a pupil’s immediate knowledge, e.g. through others sharing videos or images of them on social media. The school will recognise that CSE can affect any pupil who has been coerced into engaging in sexual activities, even if the activity appears consensual; this includes pupils aged 16 and above who can legally consent to sexual activity. The school will recognise that pupils may not realise they are being exploited e.g. they believe they are in a genuine romantic relationship.

School staff will be aware of the key indicators that a pupil is the victim of CSE, including:

- Appearing with unexplained gifts, money or new possessions
- Associating with other children involved in exploitation
- Suffering from changes in emotional wellbeing
- Misusing drugs or alcohol
- Going missing for periods of time or regularly coming home late
- Regularly missing school or education or not taking part
- Having older partners
- Suffering from sexual transmitted infections
- Displaying sexual behaviours beyond expected sexual development
- Becoming pregnant

All concerns related to CSE will be managed in line with relevant policies.

CSE does not always involve physical contact, as it can also occur online. It is also important to note that a child can be sexually exploited even if the sexual activity appears consensual.

The Priestley Academy Trust has adopted the following procedure within all its schools for handling cases of CSE, as outlined by the DfE:

1. Identifying cases

School staff members are aware of and look for key indicators of CSE; these are as follows:

- Going missing for periods of time or regularly going home late
- Regularly missing lessons
- Appearing with unexplained gifts and new possessions
- Associating with other young people involved in exploitation
 - Having older boyfriends or girlfriends
 - Undergoing mood swings or drastic changes in emotional wellbeing
 - Displaying inappropriate sexualised behaviour
 - Suffering from sexually transmitted infections or becoming pregnant
 - Displaying changes in emotional wellbeing
 - Misusing drugs or alcohol

2. Referring cases

Where CSE, or the risk of it, is suspected, staff will discuss the case with the dedicated member of staff for child protection. If after discussion a concern still remains, local safeguarding procedures will be triggered, including referral to the LA.

3. Support

The LA and all other necessary authorities will then handle the matter to conclusion. The school will co-operate as needed.

8. Modern Slavery

For the purposes of this policy, “**modern slavery**” encompasses human trafficking and slavery, servitude, and forced or compulsory labour. This can include CCE, CSE, and other forms of exploitation.

All staff will be aware of and alert to the signs that a pupil may be the victim of modern slavery. Staff will be aware of the support available to victims of modern slavery and how to refer them to the National Referral Mechanism.

9. Female genital mutilation (FGM)

For the purpose of this policy, “**female genital mutilation**”, commonly referred to as FGM, is defined as all procedures involving the partial or total removal of the external female genitalia, or any other injury to the female genital organs. FGM is illegal in the UK, and is a form of child abuse with long-lasting harmful consequences.

All staff will be alert to the possibility of a girl being at risk of FGM, or already having suffered FGM. If staff members are worried about someone who is at risk of FGM, or has been the victim of FGM, they are required to share this information with Children's Social Care and/or the police, as well as the DSL. If a staff member **knows** a child has been subject to FGM they have a legal duty to contact the police. They should then inform the DSL. The school's procedures relating to managing cases of FGM and protecting pupils will reflect multi-agency working arrangements.

As outlined in Section 5B of the Female Genital Mutilation Act 2003 (as inserted in section 74 of the Serious Crime Act 2015), teachers are personally and **legally required** to report to the police any discovery, whether through disclosure by the victim or visual evidence, of FGM on a girl under the age of 18. Teachers failing to report such cases will face disciplinary action.

Teachers will not examine pupils, and so it is rare that they will see any visual evidence, but they must personally report to the police where an act of FGM appears to have been carried out. Unless the teacher has a good reason not to, they should also consider and discuss any such case with the DSL and involve CSCS as appropriate.

NB: This does not apply to any suspected or at-risk cases, nor if the individual is over the age of 18. In such cases, local safeguarding procedures will be followed.

All staff will be aware that there are a range of potential indicators that a pupil may be at risk of FGM. While some individual indicators may not indicate risk, the presence of two or more indicators could signal a risk to the pupil. It is important to note that the pupil may not yet be aware of the practice or that it may be conducted on them, so it is important for staff to be sensitive when broaching the subject.

Indicators that may show a heightened risk of FGM include:

- The socio-economic position of the family and their level of integration into UK society.
- The pupil coming from a community known to adopt FGM.
- Any girl with a mother or sister who has been subjected to FGM.
- Any girl withdrawn from personal, social and health education (PSHE).

Indicators that may show FGM could take place soon:

- When a female family elder is visiting from a country of origin.
- A girl may confide that she is to have a 'special procedure' or a ceremony to 'become a woman'.
- A girl may request help from a teacher if she is aware or suspects that she is at immediate risk.
- A girl, or her family member, may talk about a long holiday to her country of origin or another country where the practice is prevalent.

All staff will be vigilant to the signs that FGM has already taken place so that help can be offered, enquiries can be made to protect others, and criminal investigations can begin.

Indicators that FGM may have already taken place include the following:

- Difficulty walking, sitting or standing.
- Spending longer than normal in the bathroom or toilet.
- Spending long periods of time away from a classroom during the day with bladder or menstrual problems.
- Prolonged or repeated absences from school followed by withdrawal or depression.
- Reluctance to undergo normal medical examinations.
- Asking for help, but not being explicit about the problem due to embarrassment or fear.

FGM is also included in the definition of **“honour-based” violence (HBV)** or **“honour-based” abuse (HBA)**, which involves crimes that have been committed to defend the honour of the family and/or community, alongside forced marriage and breast ironing. All forms of HBA are forms of abuse, and will be treated and escalated as such. Staff will be alert to the signs of HBA, including concerns that a child is at risk of HBA, or has already suffered from HBA, and will activate local safeguarding procedures if concerns arise.

10. Virginitv testing and hymenoplasty

Under the Health and Care Act 2022, it is illegal to carry out, offer or aid and abet virginitv testing or hymenoplasty in any part of the UK. It is also illegal for UK nationals and residents to do these things outside the UK.

Virginitv testing – Also known as hymen, ‘2-finger’ or vaginal examination, this is defined as any examination (with or without contact) of the female genitalia intended to establish if vaginal intercourse has taken place. This is irrespective of whether consent has been given. Vaginal examination has no established scientific merit or clinical indication.

Hymenoplasty – A procedure which can involve a number of different techniques, but typically involving stitching or surgery, undertaken to reconstruct a hymen with the intent that the person bleeds the next time they have vaginal intercourse. Hymenoplasty is different to procedures that may be performed for clinical reasons, e.g. surgery to address discomfort or menstrual complications.

Virginitv testing and hymenoplasty are forms of violence against women and girls and are part of the cycle of HBA, and can be precursors to child or forced marriage and other forms of family and/or community coercive behaviours, including physical and emotional control. Victims are pressurised into undergoing these procedures, often by family members or their intended husbands’ family to fulfil the requirement that a woman remains ‘pure’ before marriage. Those who ‘fail’ to meet this requirement are likely to suffer further abuse, including emotional and physical abuse, disownment and even honour killings.

The procedures are degrading and intrusive, and can result in extreme psychological trauma, provoking conditions such as anxiety, depression and PTSD, as well as physical harm and medical complications. Staff will be alert to the possible presence of stress, anxiety and other psychological or behavioural signs, and mental health support should be made available where appropriate.

Victims face barriers in coming forward e.g. they may not know that the abuse was abnormal or wrong at the time, and may feel shameful, having been taught that speaking out against family and/or the community is wrong, or being scared about the repercussions of speaking out. The school will educate pupils about the harms of these practices and dispel myths e.g. the belief that virginity determines the worth of a woman, and establish an environment where pupils feel safe enough to make a disclosure.

Pupils aged 13 and older are considered to be most at risk, but it can affect those as young as eight, and anyone with female genitalia can be a victim regardless of age, gender identity, ethnicity, sexuality, religion, disability or socioeconomic status.

All staff will be aware of the following indicators that a pupil is at risk or has been subjected to a virginity test and/or hymenoplasty:

- A pupil is known to have requested either procedure or asks for help.
- Family members disclose that the pupil has already undergone the practices.
- Pain and discomfort after the procedures, e.g. difficulty in walking or sitting for a long period of time which was not a problem previously.
- Concern from family members that the pupil is in a relationship, or plans for them to be married.
- A close relative has been threatened with either procedure or has already been subjected to one.
- A pupil has already experienced or is at risk of other forms of HBA.
- A pupil is already known to social services in relation to other safeguarding issues.
- A pupil discloses other concerns that could be an indication of abuse, e.g. they may state that they do not feel safe at home, that family members will not let them out of the house and/or that family members are controlling.
- A pupil displays signs of trauma and an increase in emotional and psychological needs, e.g. withdrawal, anxiety, depression, or significant change in behaviour.
- A pupil appears fearful of their family or a particular family member.
- Unexplained absence from school, potentially to go abroad.
- Changes in behaviour, e.g. deterioration in schoolwork, attendance, or attainment.

The above list is not exhaustive, but if any of these indicators are identified, staff members will immediately raise concerns with the DSL. An assessment of the risk they face will be undertaken. If there is believed to be immediate danger, the police will be contacted without delay.

The school will not involve families and community members in cases involving virginity testing and hymenoplasty, including trying to mediate with family or using a community member as an interpreter, as this may increase the risk of harm to the pupil, including expediting arrangements for the procedure.

11. Forced marriage

Forced marriage is a crime. It is a form of abuse directed towards a child or vulnerable adult, including adults who are forced into marriage against their free will.

Forced marriage is a marriage where one or both spouses do not consent to the marriage but are coerced into it. Force can be physical, psychological, financial, sexual and emotional pressure. Forced marriage can be committed if a person lacks capacity, whether or not coercion plays a part.

It is an offence to do anything intended to cause a child to marry before the child's eighteenth birthday, whether or not the conduct amounts to violence, threats, or any other form of coercion or deception. This applies to non-binding, unofficial 'marriages' as well as legal marriages.

All staff will be alert to the indicators that a pupil is at risk of, or has undergone, forced marriage, including, but not limited to, the pupil:

- Being absent from school – particularly where this is persistent
- Requesting for extended leave of absence and failure to return from visits to country of origin
- Being fearful about forthcoming school holidays
- Being subjected to surveillance by siblings or cousins at school
- Demonstrating a decline in behaviour, engagement, performance, exam results or punctuality
- Being withdrawn from school by their parents
- Being removed from a day centre when they have a physical or learning disability
- Not being allowed to attend extracurricular activities
- Suddenly announcing that they are engaged to a stranger, e.g. to friends or on social media
- Having a family history of forced marriage, e.g. their older siblings have been forced to marry
- Being prevented from going on to further or higher education
- Becoming anxious, depressed and emotionally withdrawn with low self-esteem
- Showing signs of mental health disorders and behaviours such as depression, self-harm or anorexia
- Displaying a sudden decline in their educational performance, aspirations or motivation

Staff who have any concerns regarding a child who may have undergone, is currently undergoing, or is at risk of forced marriage will speak to the DSL or headteacher and local safeguarding procedures will be followed – this could include referral to Children's Social Care, the police or the Forced Marriage Unit. The DSL or headteacher will ensure the pupil is spoken to privately about these concerns and further action taken as appropriate. Pupils will always be listened to and their comments taken seriously.

It will be made clear to staff members that they should not approach the pupil's family or those with influence in the community, without the express consent of the pupil, as this will alert them to the concerns and may place the pupil in further danger.

Advice will be sought from the Forced Marriage Unit following any suspicion of forced marriage among pupils.

If a pupil is being forced to marry, or is fearful of being forced to, the school will be especially vigilant for signs of mental health disorders and self-harm. The pupil will be supported by the DSL and senior mental health lead and referrals will be made on a case-by-case basis.

Staff members will make themselves aware of how they can support victims of forced marriage in order to respond to the victims needs at an early stage, and be aware of the practical help they can offer, e.g. referral to social services and local and national support groups.

Local child safeguarding procedures will be activated following concerns regarding forced marriage – the school will use existing national and local protocols for multi-agency liaison with police and children's social care.

The school will support any victims to seek help by:

- Making them aware of their rights and choices to seek legal advice and representation
- Recording injuries and making referrals for medical examination where necessary
- Providing personal safety advice
- Developing a safety plan in case they are seen, e.g. by preparing another reason for why the victim is seeking help

The school will establish where possible whether pupils at risk of forced marriage have a dual nationality or two passports.

The school will aim to create an open environment where pupils feel comfortable and safe to discuss the problems they are facing – this means creating an environment where forced marriage is discussed openly within the curriculum and support and counselling are provided routinely.

The school will take a whole school approach towards educating on forced marriage in the school curriculum and environment – in particular, the school's RSHE curriculum will incorporate teaching about the signs of forced marriage and how to obtain help. Appropriate materials and sources of further support will be signposted to pupils. Pupils will be encouraged to access appropriate advice, information and support.

Teachers and other staff members will be educated **through CPD** about the issues surrounding forced marriage and the signs to look out for.

12. Radicalisation

For the purposes of this policy, “**radicalisation**” refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

For the purposes of this policy, “**extremism**” refers to the vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty, and the mutual respect and tolerance of different faiths and beliefs. Extremism also includes calling for the death of members of the armed forces.

For the purposes of this policy, “**terrorism**” refers to an action that endangers or causes serious violence to a person or people, serious damage to property, or seriously interferes with or disrupts an electronic system. The use or threat of these actions must be designed to influence the government or intimidate the public, and be made for the purpose of advancing a political, religious or ideological cause.

Protecting pupils from the risk of radicalisation is part of the school’s wider safeguarding duties. The Trust will actively assess the risk of pupils being drawn into extremism and/or terrorism. Staff will be alert to changes in pupils’ behaviour which could indicate that they may be in need of help or protection. Staff will use their professional judgement to identify pupils who may be at risk of radicalisation and act appropriately, which may include making a referral to the Channel programme. The school will work with the Safeguarding Partnerships as appropriate.

The school will ensure that it engages with parents/carers and families, as they are in a key position to spot signs of radicalisation. In doing so, the school will assist and advise the family members who raise concerns, and provide information for support mechanisms. Any concerns over radicalisation will be discussed with a child’s parents/carers, unless the school has reason to believe that the child would be placed at risk as a result.

The DSL will undertake Prevent awareness training to be able to provide advice and support to other staff on how to protect pupils against the risk of radicalisation. The DSL will hold formal training sessions with all members of staff to ensure they are aware of the risk indicators and their duties regarding preventing radicalisation.

The Prevent duty

Under section 26 of the Counter-Terrorism and Security Act 2015, all schools are subject to duty to have “due regard to the need to prevent people from being drawn into terrorism”, known as “**the Prevent duty**”. The Prevent duty will form part of the Trust’s wider safeguarding obligations.

The Trust’s procedures for carrying out the Prevent duty, including how it will engage and implement the Channel programme, are outlined in the Prevent Duty procedures.

13. Pupils with family members in prison

Pupils with a family member in prison will be offered pastoral support as necessary. They will receive a copy of ‘[Are you a young person with a family member in prison?](#)’ from Action for Prisoners’ Families where appropriate and allowed the opportunity to discuss questions and concerns.

14. Pupils required to give evidence in court

Pupils required to give evidence in criminal courts, either for crimes committed against them or crimes they have witnessed, will be offered appropriate pastoral support.

Pupils will also be provided with the booklet '[Going to Court](#)' from HM Courts and Tribunals Service (HMCTS) where appropriate and allowed the opportunity to discuss questions and concerns.

15. Mental health

All staff should be aware that mental health problems can, in some cases, be an indicator that a child has suffered, or is at risk of suffering abuse, neglect or exploitation.

Staff will not attempt to make a diagnosis of mental health problems – the school will ensure this is done by a trained mental health professional. Staff will however, be encouraged to identify pupils whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one. Staff will also be aware of how pupils' experiences can impact on their mental health, behaviour, and education.

Staff who have a mental health concern about a pupil that is also a safeguarding concern will act in line with this policy and speak to the DSL or deputy DSLs.

The school will access a range of advice to help them identify pupils in need of additional mental health support, including working with external agencies.

In all cases of mental health difficulties, the school's Social, Emotional and Mental Health (SEMH) Policy will be consulted and adhered to at all times.

16. Serious violence

Through training, all staff will be made aware of the indicators which may signal a pupil is at risk from, or is involved with, serious violent crime. These indicators include, but are not limited to:

- Increased absence from school
- A change in friendships
- Relationships with older individuals or groups
- A significant decline in academic performance
- Signs of self-harm
- A significant change in wellbeing
- Signs of assault
- Unexplained injuries
- Unexplained gifts or new possessions

Staff will be made aware of some of the most significant risk factors that could increase a pupil's vulnerability to becoming involved in serious violence. These risk factors include, but are not limited to:

- Being male

- Having been frequently absent from school
- Having been permanently excluded from school
- Having experienced child maltreatment
- Having been involved in offending, such as theft or robbery

Staff members who suspect a pupil may be vulnerable to, or involved in, serious violent crime will immediately report their concerns to the DSL.

Schools will be under a separate duty to cooperate with core duty holders when asked – the school will ensure arrangements are in place to do so.

17. Adult involvement in youth-produced sexual imagery (YPSI)

Sexually motivated incidents

The school will remain aware that not all instances of YPSI will be between children and young people and in some cases may involve adults posing as a child for the purpose of obtaining nude and semi-nude images from persons under 18.

Staff will be aware of the signs that an adult is involved in the sharing of nude or semi-nude images. These include:

- Being contacted by an online account they do not know but appears to be from somebody under the age of 18
- Quickly being engaged in sexually explicit communications
- The offender sharing unsolicited sexual images
- The conversation being moved from a public to a private and/or encrypted platform
- Being coerced or pressured into doing sexual things, including producing sexual imagery
- Being offered money or gifts
- Being threatened or blackmailed into sharing nude or semi-nude images, and/or further sexual activity

Financially motivated incidents

Financially motivated incidents of YPSI involving adults may also be called “sextortion”, where the offender threatens to release nudes or semi-nudes of a child or young person unless they do something to prevent it, e.g. paying money. In these cases, offenders often post as children and:

- Groom or coerce the victim into sending nudes or semi-nudes in order to blackmail them.
- Use images that have been stolen from the child or young person, e.g. via hacking.
- Use digitally manipulated and/or AI-generated images of the child or young person.

Staff will be aware of the signs of sextortion, which include:

- Being contacted by an online account they do not know but appears to be from somebody under the age of 18.
- Quickly being engaged in sexually explicit communications.

- The offender sharing sexual images first.
- The conversation being moved from a public to a private and/or encrypted platform.
- Told their online accounts have been hacked in order to obtain images, personal information and contacts.
- Being blackmailed into sending money or sharing bank account details.
- Being shown stolen or digitally manipulated/generated images of the victim.

Appendix 2 – Safeguarding training criteria

Purpose

This appendix outlines the safeguarding training requirements for all staff members, governors and volunteers to ensure compliance with statutory guidance and best practices in safeguarding children.

Core training requirements

- Their specific roles and responsibilities.
 - Multi-agency working.
 - Identifying, understanding and responding to specific needs that can increase the vulnerability of pupils.
 - Specific harm that can put pupils at risk.
- Undertake training that enables them to develop expertise so that they can support and advise staff and help them feel confident on welfare and safeguarding matters, particularly in relation to:
 - Ensuring that staff are supported during the referrals process.
 - Supporting staff to consider how safeguarding, welfare and educational outcomes are linked, including to inform the provision of academic and pastoral support.
- Receive regular updates throughout the year to remain informed of any changes in legislation and best practices.
- Undertake Prevent awareness training.

All staff will:

- Complete safeguarding and child protection training at induction.

 - How to support victims of abuse, neglect and exploitation.

- Receive ongoing updates throughout the academic year including updates to safeguarding guidance and legislation and changes to the Trust’s safeguarding policies and procedures.

Members of the Trust Board and School Local Governing Boards will:

- Complete appropriate safeguarding and child protection training and induction which equips them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of a robust whole school approach to safeguarding.
- Undertake updated safeguarding training relevant to their strategic role, including awareness of their responsibilities under KCSIE.
- Receive enhanced training to effectively oversee the school’s safeguarding arrangements if their role on the board has a specific safeguarding responsibility.

Specialist training

All staff members will receive awareness training on specific safeguarding issues and the Trust’s procedure for dealing with them as outlined in Appendix A.

Specialist training will be undertaken as outlined below.

Safer recruitment training:

- Will be required for all staff members involved with the recruitment and employment of staff to work with pupils, the substance of which covers part three of KCSIE at a minimum.

Online safety training:

- It is mandatory for all staff and governors to understand the risks associated with online activity and how to educate pupils about online safety.
- Online safety training will include, amongst other aspects, understanding the expectations, applicable roles and responsibilities in relation to filtering and monitoring.

Prevent duty training:

- All staff will be trained to understand their role in preventing radicalisation and extremism and how to maintain due regard to the need to prevent people from becoming terrorists or supporting terrorists.

- Staff will receive specialist training on recognising and addressing child-on-child abuse, including bullying, sexual violence and harassment.

Training delivery

- In line with any advice from local safeguarding partners, all staff members will receive safeguarding training during their induction and will be supported to understand the Trust’s policies and procedures in relation to dealing with safeguarding concerns.
- Training will be delivered with due regard to the Teachers’ Standards.

- Training will be delivered through a combination of face-to-face sessions, online modules and external courses accredited by recognised safeguarding bodies.
- Records of all training, including dates, content and attendees, will be maintained securely.

Reviewing training

- The DSL will be responsible for ensuring that all staff receive appropriate training and that records are kept up-to-date.
- The effectiveness of safeguarding training will be reviewed annually as part of the school's safeguarding audit.

Compliance

All staff will be required to confirm that they have read and understood Part One of KCSIE and any other safeguarding guidance relevant to their role. Failure to complete mandatory training may result in disciplinary action.

This appendix will be reviewed annually to ensure that it aligns with current legislation and best practices in safeguarding children.

Appendix 3 – Elective Home Education (EHE)

You should encourage parents to send their children to school, particularly those who are vulnerable.

EHE does not automatically put children at greater risk of harm. You should consider whether a parent's decision to educate at home gives greater cause for concern to remaining in school.

If you feel there is additional cause for concern, you should follow your own organisation's child safeguarding policy and refer this to the Designated Safeguarding Lead (DSL) who will then consider making a referral to the local authority in line with existing procedures. This should happen as soon as you become aware of a parent's intention, or decision, to home educate.

Alerting local authorities as soon as possible where needed helps them to check if a child is receiving statutory social care services and notify any relevant social worker to work with the home education team to carry out any further checks or assessments that may be needed.

Part 1 of [keeping children safe in education](#) is clear that you are expected to support social workers and other agencies following any referrals. You will already be aware which children have a social worker assigned to them or their immediate family.

You should work with local authorities and, where possible, coordinate meetings with parents to seek to ensure EHE is being provided in the best interests of the child.

You may find it helpful to direct parents to [the advice on understanding what EHE is](#). Schools are not required to provide any support to parents that have withdrawn their child for EHE. Support provided by Local Authorities is discretionary, including support for a child's special educational needs.

If a parent wants you to admit their child, you should follow your normal processes for in-year admissions applications. Or, put them in touch with their local authority admissions team to discuss [how to apply for a school place for their child](#).

If you have a suggestion that a family are considering removing children to home educate, please contact us Bradford EHE as soon as possible at electiveheducation@bradford.gov.uk or 01274 439340 in order for us to swiftly understand the implications for the child. Please note that current LA's FAP policy suggests a return to the previous school roll with a School Attendance Order where a child is not in receipt of a suitable full-time education.
